

REACH-RoHS-POP Declaration of Conformity

Declaration of Conformity – REACH

As a manufacturer of mechatronic products, Antrimon Group AG is a "downstream user" within the meaning of REACH Regulation 1907/2006. Obligations due to the manufacture and placing on the market of substances / chemicals for pre-registration and registration (ECHA) do not apply to us. Our products are articles and therefore cannot be defined as a substance or preparation. In addition, no substance is released from our products under normal and foreseeable conditions of use. Therefore, Antrimon Group AG is not subject to the registration obligation or the obligation to prepare safety data sheets. In order to ensure a continuous supply of reliable and safe products to our customers, we ensure that our suppliers meet all requirements relating to chemical substances and materials, and that no substances from the Candidate List of Substances of Very High Concern (SVHC) are used in the manufacture of our products. We are aware of the obligations under REACH and in doing so we adhere to the obligation of the "ECHA Guidelines for Downstream Users".

Declaration of Conformity – RoHS

We hereby confirm the conformity of our products in accordance with the RoHS Directive 2011/65/EU and 2015/863/EU of the European Parliament and of the Council on the restriction of the use of hazardous substances in electrical and electronic components and equipment and compliance with the maximum permissible concentration in homogeneous materials in weight percentages <0.01% of Cadmium, <0.1% of lead, mercury, hexavalent chromium (Cr6+), polybromated biphenyls (PBB), polybromated diphenyl ethers (PBDE), diphthalate (DEHP), butylbenzyl phthalate (BBP), dibutyl phthalate (DBP), diisobutyl phthalate (DIBP) as defined in Annex II of the Directive.

Antrimon Group AG hereby declares that all our products are produced in accordance with RoHS.

Declaration of Conformity POP (Persistent Organic Pollutants)

Regulation EU 2019/1021 implements the Stockholm Convention on Persistent Organic pollutants into European law. Paragraph 7 of the preamble to this Regulation recalls the prohibitions of POPs' s under the EU Regulations:

- 1907/2006 (REACH)
- 1107/2009 (Plant Protection Regulation)
- 528/2012 (Biocide Regulation)

and the prohibition of the production of these substances.

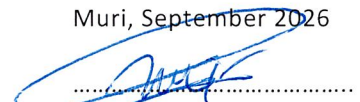

Through communication along the supply chain, we follow the update of the POP Regulation, in particular, Appendices I to III. Appendix IV is observed within the framework of the Circular Economy Act. In addition, we refer to our RoHS declaration.

Finally, we would like to assure you that we are taking all necessary steps to ensure that we with our products in proven quality in the future.

Our suppliers are obligated with regard to goods delivered to Antrimon Group AG, including packaging in accordance with the requirements of the REACH-RoHS-POP regulations, to report all necessary information/changes to Antrimon immediately.
